**Need increased confidence
and skill to facilitate
meetings, presentations
and workshops?**

Register for Global Leadership Associate's Facilitator Fundamentals workshop Thursday, May 26 at the Edmonton Baha'i Centre (9414 111 Avenue) from 9:30-4:30 p.m. Unlock hidden talents and refine the ones you already have.

Workshop themes are:

- It's not about you, it's about them! Focusing on the audience.
- How adults learn: principles of good facilitation
- Are you a presenter or a facilitator?
- Creating an adult learning climate (from setting up the room to changing behavior...)
- Planning a workshop A-Z
- Managing a group with confidence and authority
- Dealing with difficult people and handling conflicts during facilitation

A reference handbook accompanies the workshop. Your Facilitator Fundamentals trainer is Marie Gervais, PhD., CTDP. She has a 25 year training and facilitation background working with learners from diverse and varied backgrounds and is known for her engaging workshops and multi-media training manuals and tools.

Meeting Magic: **GETTING TO TANGIBLE RESULTS**

Register now @ www.global-leadership.ca

Do meetings frustrate you?

If you secretly long for more engaging, results-based meetings, register for the Global Leadership Associates Meeting Magic workshop on Friday, May 27 at the Edmonton Baha'i Centre (9414 111 Avenue) from 9:30-4:30 p.m.

This workshop is about targeting meetings towards unified collective action. It practically targets principles of productive group interaction that help individuals rise above their egos to contribute personally and meaningfully towards the goals of their organizations or projects.

Meeting Magic principles and strategies will be practiced through real-life simulations and participant experiences.

Topics covered will be:

- **Getting down to business** - attracting the mind, heart and soul to get there
- **Social learning and hospitality:** time-honored interactive principles
- **Fit the practice to the end result:** four approaches to adjust the meeting activities to suit objectives
- **Embodied action:** how the body knows and what this means for meetings
- **The elephant in the middle of the room:** dealing with issues

Global Leadership Associates supports the Tamaraneh Society for Community Development and Support. Proceeds from this Meeting Magic workshop will help fund the education of children and youth in Romano Village, Northern Sierra Leone. (www.tamaraneh.org).
